"Why We Hate the Oil Companies is riveting. I keep quoting it to

Read Book Why We Hate The Oil Companies Straight Talk From An Energy Insider

people. Reading it is like having a wise uncle in the energy industry (and an environmental advocate to boot) who takes you aside and tells you, in straight language, exactly what's wrong and right with the current American system.

Why We Hate the Oil Companies | John Hofmeister | Macmillan

The problem I have with "Why we hate the oil companies" is not so much its message. By itself, it is rather interesting to read about the energy and environmental problem through vision of someone from the inside of what is usually portrayed as evil itself. This book does the job of giving that inside view quite nicely.
